

HeRO ITEM # 11003
Product Weight: 16.0 oz

Case Pack: 12 per case

Product Dimensions:

Length - 17.0 in [43.0 cm] Tailband Width - 16.0 in [40.0 cm]

Case Dimensions:

Length - 15.0 in [38.1 cm] Width - 19.0 in [48.3 cm] Height -
7.0 in [17.8 cm] Weight - 13.8 lbs [6.3 kgs]

HeRO Microfiber Mop

info@herotoolprogram.com | (949) 838-7076

Microfiber Mops - Constructed from ultra-dense fibers that are woven into single strands, microfiber mops have a superior ability to trap dirt, dust, and moisture. Moreover, their innovative construction is far lighter and more absorbent than comparable cotton mops. These characteristics make microfiber mops an excellent choice for scratch-sensitive surfaces, intricate tile, restaurants, offices, hotels, and health care facilities.

Scrubbing Saddle Connector - The HeRO Microfiber Mop features a deluxe saddle connector that's constructed from scrub pad material. This enables cleaning personnel to power through tough grime and grease.

Color Coded - Color coding helps prevent cross contamination and organizes specific duties. For example, red signifies hospital or bio-cleanup, blue for office or general, yellow for bathrooms, and green for kitchen / food service.
