

HeRO ITEM # 11001

Product Weight: 21.0 oz

Case Pack: 12 per case

Product Dimensions:

Length - 17.0 in [43.0 cm] Tailband Width - 16.0 in [40.0 cm]

Case Dimensions:

Length - 20.0 in [50.8 cm] Width - 11.5 in [29.2 cm] Height - 12.0 in [30.5 cm] Weight - 16.8 lbs [7.6 kgs]

HeRO 100% Recycled Mop

info@herotoolprogram.com | (949) 838-7076

100% Recycled - Designed with 100% recycled materials originating from post-consumer soda bottles and post-industrial cotton, this mop is designed for commercial use and repeated laundering.

Scrub Pad - Constructed from a coarse fiber mesh, scrub pads, also known as scouring pads, are designed to power through tough grease and grime. Manufactured with a scrub pad, the HeRO 100% Recycled Mop enables staff to remove stubborn floor stains and shoe scuffs on baseboards.

Loop-Ended & Bartacked - The HeRO 100% Recycled Mop features a loop-ended design. This comprises of a single yarn strand being continuously looped throughout the entire length of the mop. This characteristic greatly improves the durability and launderability of the mop versus a “cut-end” design. Furthermore, the mop is tailbanded by a half-inch strip of polyester that prevents bunching and increases floor coverage.
